2020 Summer Research Training Program in Biomedical Big Data Science

Research intensive 10-week training program for undergraduate and graduate students

Program Dates: June 1 - August 7, 2020

Students selected for summer session 2020 of our research training program in the Ma’ayan Laboratory at the Icahn School of Medicine at Mount Sinai will conduct faculty-mentored independent research projects in the following areas:

- Data Harmonization
- Machine Learning
- Cloud Computing
- Dynamic Data Visualization

Application Deadline:
February 1, 2020 at 12 Midnight Eastern Time

Who Should Apply:
Students majoring in Computer Science, Informatics, Mathematics, Statistics, Physics, Engineering, Chemistry/Chemical Sciences or Biological Sciences and have an interest in Biomedical Big Data Science.

Award:
$8,000 salary for the 10-week training period

Eligibility:
- US citizens or permanent residents
- Undergraduate or master’s student in good academic standing

Location:
Ma’ayan Laboratory, Icahn School of Medicine at Mount Sinai, New York City
