

First East-West Scientific Conference on Allergy & Traditional Medicine

Thursday, April 15, 2010
Huayang Plaza hotel, 3rd Floor Conference Room

- 8:00 – 8:30 Open Remarks:
Dr. Xiu-Min Li (USA)
Mr. Yilun Gou (China)
Dr. Hugh Sampson (USA)
Dr. Nan Shan Zhong (China)
Dr. Adriano Mari (Italy)
Dr. Shi Tai Ye (China)
- Session 1 Food Allergy/Natural History/Diagnosis/Advanced Treatment**
Hugh Sampson, MD (USA) and Xiu-Min Li, MD (US) - session moderators
- 8:30 – 8:50 Hugh Sampson, MD (USA) – Introductory presentation. History, Advanced Diagnosis and Treatment of Food Allergy
- 8:50 – 9:10 Yin Jia, MD (China) – Anaphylaxis caused by food allergy in China
- 9:10 – 9:30 Kirsten Beyer, MD (Germany) – Food allergy oral immune therapy
- 9:30 – 9:50 Kamal Srivastava MPhil (USA) – Chinese herbal therapy for food allergy
- 9:50 – 10:00 Break
- Session 2 Overview of Traditional Medicine in Practice, Research, and Drug Development**
Drs. Joong-Saeng Cho, M.D., Ph.D (Korea) and William Silvers, MD (USA)- session moderators
- 10:00 – 10:20 Leonard Bielory, MD (US) – Overview of herbal interventions of allergy and asthma – progress made in the past 10 year in the United States
- 10:20 – 10:40 William Silvers, MD (US) – Integrating Complementary Medicine into Allergy/Asthma: The American Experience
- 10:40 – 11:10 Shung-te Kao, MD, PhD. (Tiawan) – Recent application of Traditional Chinese Medicine (TCM) in allergic rhinitis and asthma in Taiwan
- Session 3 Up To Date Research on Traditional Medicine on Asthma and Allergic Rhinitis**
Drs. Leonard Bielory,MD. (USA) and Nan Shan Zhong (China) session moderators
- 11:10 – 11:30 Xiu Min Li, MD (US) - Development of botanical drug for asthma in the US
- 11:30 – 11:50 Joong-Saeng Cho, M.D., Ph.D. (Korea) - Traditional Chinese - Korean medicine for allergic rhinitis
- 11:50 – 1:00 Poster Exhibition/Lunch (organizers Sharon Hamlin, Nan Yang, PhD, Qing Manli, MD)

Session 3 Up To Date Research on Traditional Medicine on Asthma and Allergic Rhinitis

(continued) Drs. Leonard Bielory,MD. (USA) and Nan Shan Zhong (China) session moderators

- 1:00 – 1:20 Makoto Kadowaki, MD. (Japan) - Traditional Chinese-Japanese medicine research in mucosal immunity
- 1:20 – 1:40 Ming Chun Wen, MD – Recent application of Traditional Chinese Medicine (TCM) in allergic rhinitis and asthma in China
- 1:40 – 2:00 Weiping Yin, Ph.D (China) – Research on the quality, safety and efficacy of Chinese traditional medicine by the fingerprint of the HPLC-¹³CNMR combination technology

Session 4 Allergology, Immunotherapy, Prevention & Treatment for Food Allergy, Allergic Retinitis & Asthma

Part I. Drs Shi Tai Ye, MD (China) and Fatima Ferreira, PhD (Austria), - session moderators

- 2:00 – 2:20 Adriano Mari, MD, (Italy) - introductory presentation – Allergology, Immunotherapy, prevention & treatment for Allergy and Asthma
- 2:20 – 2:40 Heimo Breitender, PhD (Austria) – Food allergy: Highlights on its molecular basis
- 2:40 – 3:00 Markus Ollert, MD (Germany) – Specific use of allergens in diagnosis of hymenoptera venom allergy
- 3:00 – 3:10 Break

Part II. Drs. Yin Jia, MD (China) and Heimo Breiteneder (Austria) - session Moderators

- 3:10 – 3:30 Christian Radauer, PhD. (Austria) – Protein and allergen databases – their applications in scientific and clinical research
- 3:30 – 3:50 Zhigang Lui, PhD, MD (China) –China Allergology in Food Allergy research in China.
- 3:50 – 4:10 Fatima Ferreira, PhD (Austria) – Recombinant allergens in allergy diagnosis and therapy
- 4:10 – 4:30 Jiu-Yao Wang, MD, DPhil (Taiwan) – The clinical trial of probiotics in allergic rhinitis and asthmatic children, and epigenic effect on murine model of asthma
- 4:30 – 5:30 Oral Abstract Session
Meeting moderators – Kamal Srivastava (USA) and Qing Manli, M.D (China)
- 5:30 – 5:40 Closing Remarks
- 6:00 – 8:00 Culture Dinner Banquet

CERTIFICATE OF ATTENDANCE WILL BE GIVEN
